MONTHLY REPORT

August 1, 2023 to August 31, 2023

AUGUST 1, 2023

Empowering Education - Nirmaan and CBSI Launch Digital Lab for Students

Chubb Business Services India Private Limited (CBSI), in partnership with Nirmaan Organization, opened a digital lab at ZPHS Jeedimetla on August 1, 2023. This lab offers high-speed internet connectivity and is designed to provide students with valuable training in Information and Communication Technology (ICT), creating a secure learning environment for accessing educational resources online.

AUGUST 2, 2023

Pune - Inauguration of Women In Technology

In collaboration with HSBC Technology India, we have inaugurated a Women In Technology Center in Hadapsar, Pune, with a noble mission to empower women from underprivileged backgrounds. This innovative project is set to provide comprehensive training in Web and Mobile Application courses to a total of 510 women, opening doors to new opportunities and brighter futures. Stay tuned for updates on this inspiring initiative!

AUGUST 3, 2023

Food distribution

We are proud to share our recent initiative with PepsiCo under our Food Bank Program. We have distributed two months' worth of ration kits for free to 10 orphanages in Telangana, including Asritha Boys Home, Arun Rainbow Girls Home, Abhisree Foundation - PWD's Training, and others. This effort reached 725 young hearts, providing essential items for their nutritional needs. Together, we're making a meaningful impact in our community.

AUGUST 4, 2023

Telangana Floods - Donation

In response to the devastating Mulugu floods, Nirmaan has taken immediate action to aid those affected. Many are now displaced and seeking refuge in local schools, and they urgently need your support. Join us in making a difference by donating now at

AUGUST 5, 2023

KGBV Students and Volunteers Craft 1600 Seed Balls for a Greener Future

Students from Kasturba Gandhi Balika Vidyalaya (KGBV) joined hands with Carrier Technologies and Nirmaan Organization volunteers for the Seed Ball Crafting Program. Together, they skillfully created over 1600 seed balls, which were later planted along a designated pathway. This hands-on initiative promises to bring forth flourishing plants, adding beauty and vitality to our surroundings.

AUGUST 7, 2023

Mayur Sir - BITS Award

We are excited to share the incredible news that our CEO and Founder, Mayur Patnala, has been honored as one of the Young Alumnus Achievement winners by BITS Pilani 2023! This prestigious recognition underscores Mayur's tireless efforts, dedication, and commitment to community transformation. We take immense pride in his achievements and the enduring impact he consistently delivers.

AUGUST 11, 2023

Inauguration of YEP center at Alkapur

Successfully inaugurated Youth Employment Program (YEP) center sponsored by Invesco India Pvt. Ltd. This initiative empowers 300 underprivileged students with training in WMA and ITES, offering them a brighter future. With a strong emphasis on #ITES and essential #softskillstraining, we're dedicated to preparing these young talents for success in the modern job market..

AUGUST 11, 2023

Tree Plantation Initiative at TSWRS/JC(G) RK Puram, Hyderabad

In collaboration with 30 volunteers from Argano, we planted 60 saplings at TSWRS/JC(G) RK Puram, Falaknuma, Hyderabad, promoting tree conservation. This initiative not only added greenery but also instilled environmental responsibility in students and volunteers.

AUGUST 15, 2023

Independence Day Celebrations

In celebration of Independence Day, Nirmaan Organization united to pay tribute to our freedom fighters and celebrate our diverse nation. Our team enjoyed engaging activities, including quizzes and drawing contests, highlighting the values of unity and creativity. Across Nirmaan Skill Centers nationwide, we celebrated this special day with pride, embracing diversity and working towards a brighter future for all.

AUGUST 15, 2023

Inauguration of WhiteCoats Family Clinic

With the support of ValueMomentum, WhiteCoats Family Clinic is now open in Quthbullapur, extending primary care to those in need, especially the BPL community. Enjoy free consultations every Friday and a remarkable 75% discount on medical tests daily. Our initiative also includes two satellite clinics for better community reach. Join us in making quality healthcare affordable and accessible.

AUGUST 17, 2023

Upgrading Infrastructure at MPPS and ZPHS Babbuguda

In collaboration with Synopsys, we have upgraded the infrastructure of MPPS and ZPHS Babbuguda by providing a solar plant, digital classroom, and RO plant. This will improve the school's ability to provide quality education to its students by giving them access to modern educational resources and technology, clean drinking water, and a sustainable energy source.

AUGUST 19, 2023

Graduation ceremony in 6 TMREIS Schools

In collaboration with Synchrony, we've been empowering students in 6 TMREIS schools with computer skills and coding knowledge. In August, we celebrated the graduation of three girls' schools on the 5th and three boys' schools on the 19th. This achievement was made possible by the dedication of 27 Synchrony volunteers who contributed their time to the program.

AUGUST 19, 2023

Launching 'Flood Relief Grocery Distribution' with 1000 Kits

In response to the recent Telangana - Mulugu floods, our united community launched 'Flood Relief Grocery Distribution' with 1000 kits, generously supported by Indian Oil Corp Limited (IOCL). Each kit included essential items like rice, dal, oil, and personal care items. Let's join hands to ease the burden and restore hope for those affected by the floods.

AUGUST 25, 2023

Celebrating Nirmaan's Impactful Growth at ASM IBMR's MCA Induction Program

Nirmaan proudly joined ASM IBMR's MCA Induction Program, celebrating our contributions. Notable speakers from Nirmaan shared our societal impact, and students received guidance in web development. Faculty interest in on-campus web development and 'Women in Tech' satellite centers reflects Nirmaan's impactful growth

AUGUST 26, 2023

Three Days of Skill Enrichment in ToT Program

Nirmaan's 'Training of the Trainers' program spanned three eventful days, equipping trainers with essential skills and knowledge. The comprehensive curriculum covered topics such as report writing, lesson planning, stress management, child psychology, and more. Additionally, trainers received guidance on effective social media usage, financial management, and web development for today's digital landscape, ensuring a well-rounded learning experience.

AUGUST 29, 2023

A New Hub for Skill Training and Employment for FSW Community

A center catering to the Female-Sex Workers (FSW) community is now operational in Champapet, Hyderabad. This vital project has come to fruition through the Women Empowerment, Skilling, and Livelihood Initiatives, generously supported by HSBC Technology India. The center's primary focus revolves around providing skill training and facilitating employment opportunities for 100 members of the FSW community.

AUGUST 29, 2023

Inauguration of Ekids Digital Labs in Hyderabad and Pune

In collaboration with EPAM Systems, we inaugurated two Ekids Digital Labs at ZPHS Ramanthapur, Hyderabad, and Pratibha Pawar Madhyamik Vidyalay, Pune. The labs are equipped with the necessary infrastructure and skilled computer teachers to provide access to high-quality computing education for students from under-represented communities across India.

AUGUST 30, 2023

Hosted Sports Competition and Prize Distribution at GHS NBT Nagar & GHS Majeedia

On the occasion of National Sports Day, Nirmaan conducted sports competitions and hosted prize distribution events supported by HCL Foundation at two schools: GHS NBT Nagar and GHS Majeedia. A total of 520 students participated in these events.

AUGUST 31, 2023

Conducted a Successful Bags Distribution Event at ZPHS Hydernagar School

We joined forces with Dun & Bradstreet for an impactful bag distribution event at ZPHS Hydernagar School. The event featured the active participation of Dun & Bradstreet's leadership team and dedicated volunteers, who played a crucial role in distributing bags and essential school supplies to the students.

AUGUST 31, 2023

Celebrating Nirmaan's Impactful Growth at ASM IBMR's MCA Induction Program

We're dedicated to transforming lives as we joyfully embrace the care and support of orphanage girls. Over the next year, we've adopted Arun Rainbow Orphanage Home, ensuring basic essentials like groceries for all the school children. To add to the smiles, 40 volunteers from D&B Tech visited and shared enriching interactions with the children.

As we wrap up this month's roundup, we want to express our heartfelt gratitude for being a part of our journey. Your curiosity and commitment to positive change inspire us to keep pushing boundaries and making a difference. Stay tuned for more exciting updates ahead!
