**First General Meeting**

The board meeting of Nirmaan Organization according to the First Notice. In this meeting, the Managing committee proposed to change the Address and Body of the Society due to the following reasons:

- a) Increase of staff members making it difficult to run the operations efficiently.
- b) Increase in the number of computer systems, stationary and almirahs
- c) Location of the office is very far from the Central city of Hyderabad

Due to above reasons, it is agreed that we need to change the address of the organization to a new spacious office space located in central Hyderabad.
